Notice of Discontinuation of Sales for FLIP-X series Driver (RDV-X) and Positioner (TS-X)

Dear valued customer,

We would like to express our sincere appreciation for your continued support of Yamaha products.
We hereby announce that sales of the FLIP-X series Driver “RDV-X” and Positioner “TS-X” will be discontinued at the end of December 2027.

Product	Model	End of Sales	Service Discontinuation
Driver for FLIP-X series	RDV-X	End of December 2027	End of December 2034
Positioner for FLIP-X series	TS-X		

In addition, following the previously announced Discontinuation of sales of the single-axis robot controllers "SR1-X" and "ERCD", sales of FLIP-X series robots bundled with the applicable driver and positioner products listed above will also be discontinued.

Please note that sales of Multi robot systems combined with RCX320/340 controllers will continue. Sales of robot units for maintenance and spare parts purposes will also continue.

The applicable combinations of FLIP-X series robots and the above products are listed in the appendix.

We apologize for any inconvenience this may cause and appreciate your understanding.

If you have any questions regarding successor products or require further information about this notice, please contact us using the contact information below.
