## Notice of revision of Location-Based Services Terms and Conditions.

Hello. We inform our customers about revision.

Please note that the Location-Based Services Terms and Conditions will be revised as follows.

The Y-Connect Location-based Service Terms and Conditions will be revised as follows to reflect the statutory notices under the Act on the Protection and Use of Location Information, etc.

### Location-Based Services Terms and Conditions.

clause	Change before	Change after
Article 8 Use or Provision of Personal Location Information	② The Company shall automatically record and retain records confirming the use, or provision of location information in order to collect fees and handle complaints made by other business owners or the Members, and such records shall be stored for six (6) months.	② The Company shall automatically record and retain records <u>regarding the use, provision or fact confirmation of personal</u> location information in order to handle complaints <u>in accordance with the Location Information Protection Act</u> , and such records shall be stored for six (6) months <u>or more</u> .
Article 8-2 Purpose and Period of Retention of Personal Location Information	(New)	1. The Company shall retain personal location information for the purpose of providing service in accordance with Article 4 of this Terms and Conditions. 2. The Company shall immediately destruct personal location information when the purpose of use or provision is accomplished, however, if relevant laws and regulations allow, may further retain such information.
Article 9 Rights of Members	(New)	⑤ In order to actually use the Service, Y-Connect needs to be connected to motorcycles. Those under the age of fourteen (14) are not the target of personal location data usage or provision.

※ For details, please refer to the revised Location-Based Services Terms and Conditions.

Effective date of change terms : 2023-09-04
