

Pattern

This is the pattern for the starting size.

Please print this out in the actual size.

It will be used a guide for the shape, so black and white is OK.

Please check that the pattern is printed life-size by comparing the scale and the actual printout with a ruler.

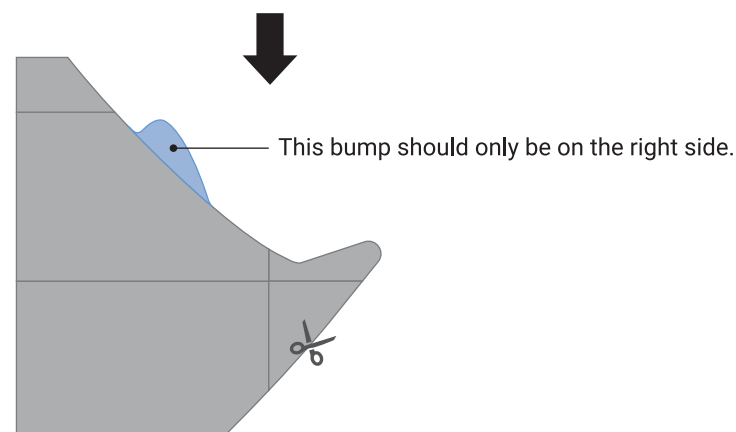

Step 1

Once you have printed it out on A4 paper, paste it together using the overlap in this arrangement.

Step 2

Cut out the pattern shape.

Step 3

Place the pattern on top of the bubble wrap and trace around it with a ballpoint pen.

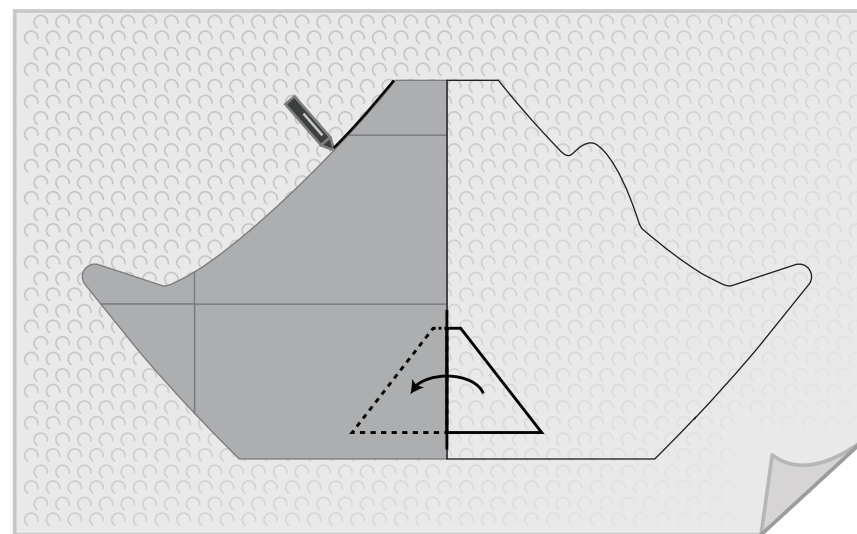

Bubble wrap

This bump should only be on the right side.

Step 4

Flip the pattern to the left side and draw around it in the same way.
